1. I've scheduled a short five-minute call on you tomorrow by  and  from the polygraph branch. Apparently when you were in for your polygraph you admired a print they had there, and they would like to present you with a copy of it.

2. FYI, I will be at the Navy Yard in the morning - stowing some more files.

3. Other than Mrs. Turner, who would you like to invite to your award ceremony on Friday? Will Mrs. Turner make it?

☐ Yes  
☒ No

4. Frank Carlucci won't make the breakfast in the morning - he has hearings on the Hill.
